Creating Western Floral Designs Bob Park

For leathercrafters who struggle with drawing, this book provides detailed step by step instructions on drawing floral tooling patterns. Included are color photographs, illustrations and examples of this approach to producing designs. In addition to a variety of copyable patterns and design elements, there is an inspiring photo gallery of work produced by both author and friends. Sought by professionals and enthusiasts alike, this book has been purchased in over 30 countries outside the USA!
