Digital Winter Mark Hitchcock, Alton Gansky

Prophecy expert Mark Hitchcock and award-winning novelist Alton Gansky provide a suspenseful and fast-moving story of life after a massive cyber attack.

Twenty-two-year-old savant Donny Elton can't tie his shoes, but his computer skills are unsurpassed. Egged on by a shadowy figure only he can see and hear, Donny creates an evolving computer virus that knocks out satellites, power grids, and communication systems. The world is thrown back into a lifestyle it hasn't known for a hundred years. Surgeons find themselves operating without electricity. The military can't use its computers...

This gripping story of darkness and heroism highlights prophetic themes and the very real danger of a cyber attack.

Walter Rojas:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Digital Winter can make you really feel more interested to read.
