Gimme an O! Kayla Perrin

When L.A. sex therapist Dr. Lecia Calhoun writes a self-help book called *The Big O* there's no doubt what she's talking about. But this expert on making the right moves in the bedroom, known to the country as Dr. Love, has to admit to herself that it's been a long time ...

Then she appears with star quarterback Anthony "T" Beals on a late-night talk show. It's clear this man knows what O stands for. After all, he got caught with a working girl -- on film! But that's not the worst of his problems. When Lecia tells him he's got issues and his wife should dump him, he really lets loose on national television. Then T comes up with some harebrained plan to solve his marital woes -- involving Dr. Love's help. Before she can blink, Lecia is on a whirlwind cross-country adventure with T ... who teaches her how to move from the sidelines to the playing field -- and demand more for herself. Soon everyone wants to know what is going on with Dr. Love and T Beals.
