Owning It All: Essays

William Kittredge

Owning It All: Essays William Kittredge

This is a deeply felt and highly informed essay collection about life in the American west by one of the finest writers ever to emerge from that region. As the *Seattle Times* has said of *Owning It All*: "You may never again see the American west in quite the same way if you take the time to view it through the eyes of William Kittredge. [This is a] stunning book." Having grown up on his family's cattle ranch in eastern Oregon, Kittredge directly confronts the contradictions and myths that lie at the heart of the Western experience: male freedom and female domesticity, the wild and the tame, self-interest and love of the land.
