## **Pat the Daddy: A Parody** Kate Merrow Nelligan

Working off the hit of Pat the Bunny – and with Pat the Husband already a top-rated spin-off, Nelligan is back at it with Pat the Daddy. It's a spot-on parody of coping with being a new parent, relayed in a simplistic, tongue-in-cheek manner that's sure to ring true with any prospective or even seasoned parents.

Following on the crib – I mean coat – tails of Pat the Husband comes Nelligan's parody of what being a father is all about. Portrayed in tongue-in-cheek sarcasm with equally clever illustrations, the book will ring true for all dads.
