The Call of the Wild Jack London

"A classic novel reissued for contemporary readers."

Rediscover Jack London's beloved classic in this unique hardbound edition. First published as a serial in the Saturday Evening Post in 1903, "The Call of the Wild" has never been out of print.

Follow a dog named Buck through violence and hardship, loyalty and loss, finally finding himself and his home in the Yukon wilderness. Truly a must-have for London fans, book lovers, and adventurers.

Jack London was born John Griffith Chaney in San Francisco, California. He began writing at 17 years old, when he submitted a story about a recent, nearly disastrous sea voyage he'd been on, winning the contest and earning his first \$25 as a writer. Later, during the gold rush, he traveled to the Yukon, where he found the inspiration for his most famous novels and short stories.
