Quilting inspiration flows from the only quilt Jane Austen made and her six novels. In 1811 the novelist Jane Austen wrote that she had spent entirely too much money on fabric. Every quilter can relate to that! Austen fan and avid quilter Karen Gloeggler went as far as England to see firsthand the only quilt known to have been made by the popular novelist. She recreated Jane's quilt, and then created a quilt design representing each of Jane's six published novels. The resulting 11 pieced quilts will appeal to everyone, including quilters on Mars who have never heard of Jane Austen. How-to photos will help nonquilters who love all things Jane start quilting. This is a book that will end up on Jane Austen fans' shelves simply because it includes fascinating clips from Austen's letters, which are as much a joy to read as her novels.
