The Basics of Winning Video Poker (Basics of Winning S) J. Edward Allen

This excellent primer has already sold over 150,000 copies. Why so popular? Video Poker is the casino's hot new slot-type game and the fastest growing. Readers learn the basics of play, how to find the machines and casinos with the most frequent and largest payoffs, the different types of machines and the history of slots. Includes lots of insider advice on how to avoid losing machines (in airports, by show lines) and how to find the most profitable machines (in great visual areas). Includes a glossary and money management advice. Readers are just 64 pages and one lucky pull of the handle away from a big money jackpot.
