Rosary: Poetry of Anna Akhmatova Anna Akhmatova

Anna Akhmatova (June 23, 1889 - March 5, 1966) is considered by many to be one of the greatest Russian poets of the Silver Age. One of the forefront leaders of the Acmeism movement, which focused on rigorous form and directness of words, she was a master of conveying raw emotion in her portrayals of everyday situations. Her works range from short lyric love poetry to longer, more complex cycles, such as Requiem, a tragic depiction of the Stalinist terror. During the time of heavy censorship and persecution, her poetry gave voice to the Russian people. To this day, she remains one of Russia's most beloved poets and has left a lasting impression on generations of poets that came after her. *Rosary*, published in 1914, is Akhmatova's second book, and one of her most popular collections. After its publication, Akhmatova became a household name and further established her place among the greatest Russian poets.
