This book contains elegant patterns in wide and narrow Laces, Tidies, Quilts, etc. They have all been tested by an experienced knitter. The materials used are Nos. 100, 90, 80, 70, 50, 40, Marshall's Linen Thread or Common Spool Cotton, also Knitting Silk which comes in half ounce balls, all shades. Fine Saxon Yarn, done with coarse sock needles, makes a very pretty edging. From the earliest age women employed themselves with needle-work in every variety, and we still see specimens of old-time embroidery and lace work, which are marvels not only of skill but of patience, and there is no occupation so feminine, at the same time so ladylike, as needlework in every branch, from the plain sewing to the exquisite fancy work that adds beauty to every room. Knitting has so many advantages that it is hard to enumerate them. No machine work has yet reached the perfection of hand-knit articles. Fashion's caprices, while constantly suggesting new stitches, leave the old ones always in use. The following directions will aid in knitting the various patterns contained in this book.

TERMS USED IN KNITTING. To cast on 71 Make a loop in your thread, and place it on the needle in your left hand; when, with your right hand needle, knit this stitch; repeat this until the desired number of stitches have been made. To increase If one stitch only is to be increased, bring the thread between the needles and knit the following stitch; this will make an open stitch or hole in the following row. If a close increase is to be made, pick up the loop below the next stitch to be knitted, and knit it. To increase one stitch when the row is being seamed the thread will be in front of the needle; pass it quite around the needle to the front again. To decrease If one stitch only is to be decreased, knit two stitches together as one; if two stitches are to be decreased, slip one, knit
