## **Akaela (Mayake Chronicles) (Volume 1)** E. E. Giorgi

Fifteen-year-old Akaela doesn't know what fear is. She was built this way. But in a world where survival is no longer of the fittest, being fearless can become a deadly curse. Proud and steeped in tradition, Akaela's people, the Mayake, are dying. While they carry implanted nanobots and sophisticated chips to compensate for their crippled and diseased bodies, these enhancements come at a price. Aging technology and a lack of resources make the Mayakes vulnerable to their enemies and on the brink of extinction. As the elders cling blindly to the past, the only hope Akaela and her 16-year-old brother Athel have to save their own people is to challenge the system or die trying.
