CultureShock! Bolivia provides readers with a thorough understanding of this South American country, a nation steeped in history, culture and tradition. Containing pages of useful information, advice, tips and resources, this book will guide you through the social and psychic adjustment necessary when moving to Bolivia. Learn, first and foremost, how to deal with soroche (altitude sickness), then understand the importance to the Bolivians of Pachamama (Mother Earth) and how she influences festivals and joyous occasions. Discover how to interact with the many diverse cultures, from Kallawayas to Cholas and Cholos to Aymara and Quechua, to name a few. Adapt to the Bolivian concept of time, understand the Bolivian love affair with football and adopt the light-hearted response needed with water balloons at fiestas. This guide will lead nature lovers through the paved trails used by Incas over 2,000 years ago and prompt the question: can an untrained climber reach the peak of Mount Illimani? Whatever your needs or interests, CultureShock! Bolivia has the answer and you'll soon learn not to take a single breath for granted in this diverse and spectacular country.
