## **Education in a Catholic Perspective** John Sullivan

A distance is opening up between Catholic education and the rich intellectual heritage of the Catholic Church. *Education in a Catholic Perspective* explores Catholic philosophical and theological foundations for both education per se and for Catholic education in particular. With contributions spanning the theological foundations of Catholic education, the interplay of theology and education, and discussions of the social and missional dimensions of education, this book will be of considerable interest to educators and students of Catholic education, to academics in the fields of applied theology and philosophy and to those with an interest in the foundations of education.
