FVZA: Federal Vampire And Zombie Agency David Hine

- Landra always knew that Vampires and Zombies were real. Trained to fight since childhood by her grandfather, legendary Federal Vampire and Zombie Agency (F.V.Z.A.) operative Hugo Pecos, when the Vamps and the Zombies came back out of hiding, she would be ready. Even though both viruses were assumed to be eradicated and the F.V.Z.A. officially disbanded, Landra knew they would be back. Little did she realize that when the Vampires did come out of hiding they would use a deadly new weapon to target the humans: an incurable strain of the zombie virus. Now Picos and Landra (along with her brother Vidal) have been tasked to re-instate the agency and train a new batch of operatives to target the most dangerous Vampire they've ever known — Landra and Vidal's own grandmother!
