History Lessons (Am Binnean Tales) (Volume 1) Jennifer Mueller

Ayda Rogers can't believe her luck, she's been invited to a Scottish castle for the summer to research her Doctoral thesis. When she gets there she finds with 800 years of history to contend with, the past is always present. Steamy tales of previous castle owners meld within the modern story as she learns all she needs for her paper. And sometimes its not the past but the present which makes you change your whole way of thinking, especially when it comes in the form of the future Duke named Hunter.
