Mini Renovation Manual: 1986-2000 (Haynes Manuals)

Paul Hardiman

Mini Renovation Manual: 1986-2000 (Haynes Manuals) Paul Hardiman

The later Rover Minis (1990s), the final 'classic' Minis produced before the introduction of BMW's 'New' MINI, are now very affordable, but even 10-year-old examples are, in many cases, in need of attention. This practical manual provides expert advice on how to breathe new life into a used and perhaps tired example of this sought-after classic. From preventative maintenance to the renewal of worn components and details of known problems and how to fix them, the clearly written, comprehensively illustrated text provides all the information required to enjoy a Rover Mini on a budget.
