Principles of Fraud Examination

Joseph T. Wells

Principles of Fraud Examination Joseph T. Wells

Accountants have historically had an important role in the detection and deterrence of fraud. As Joe Wells' *Principles of Fraud Examination 4th edition* illustrates, fraud is much more than numbers; books and records don't commit fraud – people do. Widely embraced by fraud examination instructors across the country, *Principles of Fraud Examination, 4th Edition, by Joseph Wells*, is written to provide a broad understanding of fraud to today's accounting students – what it is and how it is committed, prevented, detected, and resolved. This 4th edition of the text includes a chapter on frauds perpetrated against organizations by individuals outside their staff—a growing threat for many entities as commerce increasingly crosses technological and geographical borders.
