Fans of humor and puns are in for a special reading treat from author Jerry Tomlin as his new book, The Book of Knotsense is a collection of cartoons that all have a wooden knot, or knots, which he has dubbed "What Knots," that get incorporated into a cartoon pun or play on words. With his original and unique still of cartooning each piece will leave readers laughing and make them think about the many funny messages that they project such as Y-knot, Half Knot Want Knot, Knot in a Million Years, Knot on Your Bottom Dollar, Knot T Knot T, and many more. The Book of Knotsense is more than just a humor book as it also has a philosophy on relationships as seen through the author's eccentric sense of humor. From the first page until the last, this book will keep you thinking about knots in a whole new perspective as you will also be challenged to try and guess the pun before the answer is revealed which should give you big reasons to be tickled. The Book of Knotsense proves there is no stopping humor and there is no limit to having funny thoughts. This is just the first in a series that will be enjoyed by young and old alike.
