The Time-Loop Chronicles 2: The Lost Journal Mr John V Panella

The Time-Loop Chronicles "The Lost Journal is the 2nd book in the series. It's a new millennium and Tim Trolve as Chief Anima Cibus is no longer among us, or is he? Times have changed, the ancient world is long gone. The past has now become the future, and the future is now in the past. And yet without missing a beat, Professor William 'Kikapoo' Keuinedes has returned and is on the hunt for the missing clues that will unveil the secrets of time. Upon returning as a child before he would become the Professor, he had learned that his searching for lost clues that he had left behind a millennium ago, were astonishingly discovered by his Father, Walter Keuinedes. How convenient! Obviously not part of the original plan, his Father gathered up all of the clues that led to the infamous notepads of Tim Trolve, and in his own special way, after accidentally stumbling upon the lost notepads, he knew when the time was right that he was going to hand them on a silver platter back over to his son William, which by this time will all be fashioned into a new Time-Loop Chronicles book. The same book Tim Trolve had written in the future which has now become the past.
