A Vision of Transdisciplinarity: Laying Foundations for a World Knowledge Dialogue

A Vision of Transdisciplinarity: Laying Foundations for a World Knowledge Dialogue

Through a series of original essays, this book unites an international team of renowned researchers and educators around the theme of knowledge dialogue. Spanning topics from natural complexity to neuroscience, from education theory to climate change, from immunology to archaeology and human migrations, it allows for an atmosphere of constructive criticism and enables the ambition to build a new foundation for the transdisciplinary process.
