Delight to Become a Woman of God: 30 Devotionals for Young Women from a Mother's Heart to Her Daughter's on Drawing Near to Christ and Loving Well Mikaela Vincent

It's not a fairy tale. It's true. You really are a princess, destined to marry the King. You are beautiful beyond measure, and He is madly in love with you. Yes, YOU! And together you'll live happily forever after! It's all you ever dreamed life could be. And it's all yours, if you choose to become a woman of God! In this workbook for young women, original illustrations, personal stories, deep questions, and powerful Scripture point women of all ages to deeper depths with Christ so they can be set free from the things that keep them from the abundant life they were created for. This devotional workbook is ideal for mothers and daughters to do together, or for group studies, whether for middle schoolers, teenagers or even adults. A leader's guide is included. The paperback is recommended over the kindle version so young women can use it like a journal, writing in their answers to the thought-provoking questions. And if you are a mother or a spiritual mentor leading other women through this study, we recommend you have a workbook of your own. As one mother put it, "I thought I was getting this for my daughter, but the Lord wanted it for me!"
