Handbook of Equine Wound Management

Derek C. Knottenbelt

Handbook of Equine Wound Management Derek C. Knottenbelt

This is a practical field guide to equine wound management. Written in a concise accessible style it provides the reader with guidance on treating all kinds of injury, from superficial cuts and grazes through to serious trauma. Numerous colour photographs are supported by line diagrams of surgical procedures, bandaging techniques and application of dressings. Essential information is highlighted in the text, with comments on potential complications and how to avoid them. From initial approach through treatment and follow-up, the author provides expert advice on how to minimize the risks of infection, of scarring, and how to promote rapid and complete healing and recovery. The Handbook of Equine Wound Management will be welcomed by veterinarians as a useful reference, and by owners who want to provide the best care for their animals while under veterinary supervision.
