## **I Am Special Too** Dennis Vanasse

Meet Marty, a very special seven -year old boy who is just like any other boy, except that he has Cerebral Palsy and is in a wheelchair. Unfortunately, some people just ignore Marty because they cannot see anything beyond his wheel chair and do not take the time to realize how special he really is, Marty loves to create art, likes animals and enjoys going to the beach; he even won a very special Gold Medal because of his determination. Meet Marty and you will never forget how big of a heart he has and how special he really is!

### From reader reviews:

#### **Diane Williams:**

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to find out everything in the world. Each reserve has different aim or even goal; it means that book has different type. Some people experience enjoy to spend their time to read a book. They are really reading whatever they have because their hobby is actually reading a book. Why not the person who don't like reading a book? Sometime, person feel need book after they found difficult problem or exercise. Well, probably you will need this I Am Special Too.

#### **Patrick Pond:**

Reading a book can be one of a lot of exercise that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a reserve will give you a lot of new facts. When you read a publication you will get new information due to the fact book is one of a number of ways to share the information or their idea. Second, reading a book will make a person more imaginative. When you reading through a book especially fiction book the author will bring you to definitely imagine the story how the characters do it anything. Third, you can share your knowledge to other people. When you read this I Am Special Too, you could tells your family, friends along with soon about yours e-book. Your knowledge can inspire the mediocre, make them reading a publication.

#### **Marie Brenneman:**

Playing with family in a very park, coming to see the sea world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try factor that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love I Am Special Too, you could enjoy both. It is very good combination right, you still would like to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't obtain it, oh come on its named reading friends.

#### **Allison Morales:**

I Am Special Too can be one of your beginner books that are good idea. We recommend that straight away because this reserve has good vocabulary which could increase your knowledge in language, easy to understand, bit entertaining but still delivering the information. The writer giving his/her effort to set every word into delight arrangement in writing I Am Special Too yet doesn't forget the main point, giving the reader the hottest as well as based confirm resource details that maybe you can be among it. This great information could drawn you into brand new stage of crucial considering.
