Sauk Rapids and Benton County tells the rich and interesting history of one of the oldest counties in the state of Minnesota. Benton County was named for Thomas Hart Benton, long time Senator from Missouri, for his efforts in securing the passage of the Homestead Act that helped early settlers, their families, and the descendants live and prosper in this region. Sauk Rapids, one of the five original townships created in Benton County in 1858, was named for the rapids of the Mississippi River near downtown. For several years the village was the northernmost point of steamboat navigation on the Mississippi River for passengers coming up from the Twin Cities.

Featuring nearly 200 vintage photographs, Sauk Rapids and Benton County takes the reader on a historic tour of the past from the Indian settlements of the Ojibwe, to the Great Northern Railroad, to the Sauk Rapids cyclone of 1886, to the Benton County ancestors, and to their present-day descendants with their businesses, industries, and daily activities.
