Falling for Boston (Falling for Boston Series) (Volume 1) Leslie Kate

Love is like a Hail Mary pass, chances are you're going to miss. As the youngest of four, Dylan Riley has always been the baby. But don't let that fool you; she's not your average baby sister. Growing up with three older brothers left Dylan with a lack of femininity and in its place, a real guy's girl personality. Sports, beer, burping, you name it; but don't even think about going near her feet with a pair of heels. When Dylan meets Tyler Vaughn, the famous and devastatingly attractive football superstar at work one morning, she's thrilled by his good stats, not his good looks. But the wide receiver, and sweet romantic, throws her for a loop when he pursues her despite what she knows is missing, her feminine charm. Now Dylan must reconcile the fact that this guy may actually like her, and even scarier, she may like him back. Dylan speaks sports and sarcasm fluently but romance, now that's something completely foreign to her. What's an emotionally-allergic guy's girl supposed to do with a hopeless romantic?
