In God's Time: The Bible and the Future

Craig C. Hill

In God's Time: The Bible and the Future Craig C. Hill

Enormous confusion exists today concerning the Bible's teaching about the future. Millions of contemporary Christians are caught up in "rapture" fever, evidenced by the phenomenal success of the Left Behind novels. At the opposite end of the spectrum are those, such as the leaders of the Jesus Seminar, who believe that Jesus did not teach about the approaching Kingdom of God.

In God's Time offers an alternative to these two poles in the debate, an alternative that is at once faithful and sane, readable and scholarly. Author Craig C. Hill encourages Christians both to take seriously and to think sensibly about the hope of God's ultimate victory. His new book includes chapters on the nature of the Bible, the history of prophecy, the meaning of apocalyptic writings, the interpretation of Daniel and Revelation, the expectations of Jesus, and the hopes of the early Christians. It also includes an appendix ("Not Left Behind") on the subject of the rapture.

Endorsed by a wide array of top scholars and church leaders, In God's Time is a reliable guide to this often bewildering but always fascinating subject.

From reader reviews:

Jacqueline Kang:

Book is definitely written, printed, or highlighted for everything. You can realize everything you want by a reserve. Book has a different type. We all know that that book is important point to bring us around the world. Alongside that you can your reading ability was fluently. A e-book In God's Time: The Bible and the Future will make you to always be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that open or reading a book make you bored. It isn't make you fun. Why they can be thought like that? Have you searching for best book or ideal book with you?

Mamie Esters:

Reading a book can be one of a lot of action that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people like it. First reading a e-book will give you a lot of new information. When you read a guide you will get new information due to the fact book is one of several ways to share the information or their idea. Second, reading through a book will make you actually more imaginative. When you reading a book especially hype book the author will bring one to imagine the story how the figures do it anything. Third, you may share your knowledge to other individuals. When you read this In God's Time: The Bible and the Future, you may tells your family, friends and also soon about yours guide. Your knowledge can inspire the others, make them reading a guide.

Ray Chung:

Playing with family in the park, coming to see the ocean world or hanging out with buddies is thing that usually you could have done when you have spare time, after that why you don't try point that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love In God's Time: The Bible and the Future, you are able to enjoy both. It is good combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout people. What? Still don't buy it, oh come on its known as reading friends.

Robert Jackson:

Your reading 6th sense will not betray an individual, why because this In God's Time: The Bible and the Future guide written by well-known writer who knows well how to make book that may be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and creating skill only for eliminate your own hunger then you still question In God's Time: The Bible and the Future as good book but not only by the cover but also with the content. This is one publication that can break don't evaluate book by its handle, so do you still needing a different sixth sense to pick this specific!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.
