The Brotherhood Conspiracy: A Novel (The Jerusalem Prophecies) Terry Brennan

Tom Bohannon's discovery of an ancient scroll led him on an international adventure and through mysteries of faith and politics, ending in a place not even he could imagine: the Third Temple of God hidden under Temple Mount in Jerusalem. Wondering how to recover from such a momentous find, Tom's adventures are not over. The final days are upon them, yet no one knows how much time is left—a year? A hundred years? A thousand?

The same fast-paced, page-turning prose that readers loved in *The Sacred Cipher* is back in Terry Brennan's eagerly awaited sequel, *The Brotherhood Conspiracy*.
