## Alister E. McGrath and Evangelical Theology: A Dynamic Engagement

Alister McGrath has had a tremendous impact on the renaissance of evangelical theology over the last twenty years. Regarded as one of the most widely read living theologians his theological work and writings has made an immense contribution to the vitality and dynamics of evangelical theology. This book invites evangelical theologians from various backgrounds to engage with his work and to chart a positive way forward for evangelical theology. Part One follows the theology of McGrath on justification, redemption, theology and science and post-liberal theology, whilst Part Two examines the essence, character, identity, methodology and future of evangelical theology. Contributions include Graham Tomlin, Gerald Bray, Clark Pinnock, Gabriel Fackre, William Abraham, and a response given by McGrath himself. 'This is a very significant volume, with contributions from numerous scholars who have been influenced by Dr McGrath or are his colleagues. They come from both sides of the Atlantic, and embrace many aspects of Alister's encyclopaedic knowledge and phenomenal literary output...And unlike most Festschriften this one has a fascinating characteristic; a final chapter in which Professor McGrath responds with grace and shrewdness to the points raised by the contributors. This is an important book to buy.' Canon Dr Michael Green, Wycliffe Hall, Oxford. 'It is a privilege and a pleasure to commend this set of weighty and wise essays that is being published to mark Professor Alister McGrath's fiftieth birthday...God be with you, Alister, as on you go. In a somewhat different sense from that of the old-time gladiators, I and many more of my generation say: nos morituri te salutamus. May your range and your acumen not diminish, your clarity not be clouded, and your vision of evangelicalism as the true wisdom, the true catholicity, and indeed the true Christianity never blur. Hold high the torch that has been passed to you and keep the books coming. We need them.' From the foreword by J.I Packer
