We are often confronted with choices where morality and pragmatism seem to be at odds. In these situations leaders are supposed to go with pragmatism?making “tough calls.” But Sasha Chanoff became a better leader?and saved lives?when he chose empathy and altruism. Through his extraordinary story and the stories of other brave leaders, Sasha inspires everyone to be guided by his or her deepest moral values. He reveals his five principles for confronting critical decisions that emerged from this experience. Additionally, From Crisis to Calling tells the stories of eight other leaders?from business, government, the military, and nonprofits?who stayed true to their own moral values in the face of enormous pressure.
