Life's Bulldozer Moments: How Adversity Leads to Success in Life and Business Donato Tramuto

Donato Tramuto felt bulldozed by life as a child when he lost most of his hearing to an ear infection that left him isolated and treated as a failure. A succession of tragedies rocked his world, including a last minute decision to change his plans to fly out of Logan Airport on 9/11 on the same LA-bound flight that claimed the lives of his close friends. In this poignant and penetrating book, Tramuto, a successful health care entrepreneur and global philanthropist, recounts the business and life lessons he learned and shows that adversity can lead to success. He shows anyone bulldozed by life how to pull themselves out of the rubble, dust themselves off and find meaning and purpose.
