## **The Mediation of Christ** Thomas F. Torrance

In "The Mediation of Christ," Thomas F. Torrance (Professor Emeritus of Christian Dogmatics at the University of Edinburgh) sets forth a devotional theology of the atoning work of Christ in: the mediation of revelation, the mediation of reconciliation, the person of the mediator, the mediation of Christ in our human response, and the atonement and the Holy Trinity. This important 2nd edition adds a foreword addressing the reality of unconditional grace in relation to "the integrity of the response we are called to make in repentance for sin and in acceptance of Jesus Christ as our personal Savior." Also added to this edition is a new final chapter, which further addresses the centrality of the Trinity in the atonement.
