The Men Out There: A Woman's Little Black Book Rudolf Steiner, Michele Kasson, Susan R. Shapiro
Authors Susan Shapiro Barash and Michele Kasson, Ph.D, identify ten male personality types that make it easy for women to determine exactly who they are dealing with from the very first date. Although men come in all sizes, ages, and attitudes, the authors find there are recurrent styles of male behavior and have broken it into specific categories. With THE MEN OUT THERE/ A Woman's Little Black Book, women will learn what characteristics are associated with each personality type, what attracts them to it, and how they can succeed with such a partner. Armed with this invaluable knowledge, women can make an educated decision about any relationship they may be entering, foresee potential problems, and determine whether to stay or not. THE MEN OUT THERE is a practical guide for women, encouraging them to ask key questions before beginning a relationship, and to understand their past mistakes in order to sustain a loving relationship with the right partner.
