## **50 Loom Knitted Stuffed Animal Pattern Collection** Scarlett Royale

A massive collection of loom knitted stuffed animals, along with tons of information on stitch terms, techniques, designing, enlarging, looms, yarns, eyes, fillings, stitches, and soo much more. There are 50 stuffed animal patterns in this book as well. More than half are revamped patterns I did over the past 4 years, and another large amount of new patterns are in this book. I include photo and written instructions. I include video links, but they are older video links that don't include the revamps, but the links are there for guidelines.
