The roads of Great Britain present a virtual minefield for the car and motorcycle driver. Even a minor infringement of the rules can result in a fine and the inconvenience of penalty points on a licence and a possible subsequent driving ban. For the person who drives for a living, sales reps, engineers and others who use the roads in pursuit of their job or business, the results are much more serious. The private motorist who has been banned from driving can quite simply use public transport. The person that drives for a living and loses their license, or in some cases only has penalty points added to their license, may find themselves losing their livelihood completely. It is to help the drivers avoid this unhappy situation that we have assembled this book.
