Holiday Mayhem: The Grumpy Man's Guide to the Holidays Doug Forrester

Do you view holidays as something to dread if not fear? Do you or do someone you know finds the time spent with family during holidays to be absolutely loathsome and full of drama and stress? If so, this book is for you! Doug Forrester, relates the often hilarious anecdotal stories of his own family's holiday get-togethers while at the same time relaying important lessons on what he learned and what you may learn from as well. This book does not seek to castigate or shame those who do not "get" the holidays; instead it offers practical advice that you can use to make your holidays a little merrier. Holiday Mayhem is for those looking for new ideas and solutions to create a happier holiday season for their own families or for those interested in getting a good laugh at how dysfunctional and often (unintentionally) funny family holiday events can be!
