Word game books are great fun and the 50 large print word find puzzles in this book, each of which is based on the names of world cities, is no exception. Each word find game grid hides 30 city names and, to keep things interesting, titles can be placed horizontally, vertically or diagonally and can be entered as standard left-to-right text, or entered backwards!

As with many word find puzzle books, the titles hidden in each game are listed below the grid and, just in case you get stuck, the book also contains the solution for each puzzle.

While this puzzle book is clearly suitable for adults, older kids will also find it to be great fun.
