Crafters looking for time-saving and economical ways to use their supplies and talents will welcome this guide to the newest scrapbooking trend: creating charming miniature scrapbooks. It features award-winning designers showcasing their own fabulous work, sharing their favorite techniques, revealing the inspiration behind each idea, and providing instructions. They even offer hints on how to personalize each appealing project, including ones dedicated to family events, like picnics and birthday parties; a gratitude journal; and an “I Love You Because” mini-book. An introductory section covers techniques and supplies; making a template; constructing small books from scratch; ideas for bindings; and folding techniques.
