**Project Runway meets *I'll Give You the Sun* in the story of a girl, a boy, and the fashion competition that could change both of their lives.**

**Charlie Dean** is a style-obsessed girl who eats, sleeps, and breathes fashion. **John Thomas-Smith** is a boy who forges metal sculptures in his garage and couldn't care less about clothes. Both are gunning for a scholarship to the private art high school that could make all their dreams come true. Whoever wins the fashion competition will win the scholarship—and only one can win.

Told in the alternating voices of Charlie's and John's journals, this hilarious and poignant YA novel perfectly captures what it's like to have an artistic drive so fierce that nothing—not your dad's girlfriend's drug-addicted ex-boyfriend, a soul-crushing job at Salad Stop, or being charged with a teensy bit of kidnapping—can stand in your way.

With black and white art custom-created by fashion and beauty illustrator Soleil Ignacio, the book is a collector's item, perfect for anyone with a passion for fashion.
