Wolves D. J. Molles

From the bestselling author of the Remaining series...

They took everything—killed his wife, enslaved his daughter, destroyed his life. Now he's a man with nothing left to lose ... and that's what makes him so dangerous.

Ten years after the collapse, Huxley had built a good life again. He had a loving wife, a farm with fields of golden barley, and a daughter with a strange and wonderful gift. Then the slavers came. Working out in the fields during the attack, Huxley returns too late. His daughter has been taken and his wife is bleeding out, her last whispered words about a man with a scorpion tattoo on his neck.

Where do the slavers go? Huxley has no idea. He only knows that they headed east and so will he. But eighteen months later, dying of thirst in the open desert, he doesn't expect to see another day.

Then a man appears out of the desert and offers Huxley water from his canteen—an unheard of kindness in these savage times—and he gives Huxley a new purpose. Together, Huxley and Jay carve a path of destruction across the remains of a once-great land. The slavers are brutal, but they have no idea what's coming for them. Huxley has found something to live for again: blood and vengeance.

In his most powerful work yet, *New York Times* bestselling author D. J. Molles delivers a carefully woven novel of violence and redemption, bringing to life **a devastating portrait of a man pushed to the edge of his own humanity**.

“With *Wolves*, D. J. Molles gives us a postapocalyptic rescue thriller that pulls no punches and takes no prisoners. A brutal tale wrapped like barbed wire around love, honor and a father’s love for his daughter. Highly recommended.”—Jonathan Maberry, *New York Times* bestselling author of *Kill Switch* and *Ghostwalkers*

“*Revenant* meets *Mad Max* in this postapocalyptic thriller that proves D. J. Molles is back on the top of the genre.”—Nicholas Sansbury Smith, author of *Hell Divers*
