Christ Monograms Mark Flynn

Christ Monograms is a daily devotional which examines the meaning behind the Chrismon symbols commonly found on Christmas trees in churches. "Chrismon" is a combination of the words "Christ Monograms." Each symbol on our trees can teach us more about who Jesus is - which enables us to better understand the meaning of his birth at Christmas. Because these designs have been used by his followers since biblical times, they are the heritage of all Christians and serve to remind us of the one we follow. Studying the symbolism found in Chrismons over the course of the Advent season is a wonderful way to prepare for the birth of Jesus Christ and understand why his coming is the hinge on which all of human history turns.
