## **Discipleship on Fire: Step by Step Process to Discipling Anyone** Scott Thom

When the New Testament Church started it grew rapidly, but there were no churches. Disciples met in homes, yet Christianity exploded all around the world. How did the apostles do it? They built people not buildings. They poured themselves into others who in turn mentored even more. It was a strong, solid church that withstood persecution and hardships. This book is a step-by-step Biblical system to disciple anyone. If you are a parent, teacher, coach, or especially a leader in the church you will find this book a continual reference. You can recapture the essence of how Jesus trained for success. The apostle Paul said, "Follow me as I follow Christ." It is a simple principle, but if followed, it will set your world on fire.
