## **Ghost Detective: Adventures of a Parapsychologist** Andrew Nichols

HAUNTED HOUSES HAVE BEEN REPORTED SINCE ANCIENT TIMES. ARE THEY REAL?

Parapsychologist Andrew Nichols earned his world-wide reputation as a phantom sleuth routing banshees, breaking curses, exorcising ghosts, and exposing cranks and frauds. In Ghost Detective, he recounts his most chilling and fascinating cases of poltergeists, psychokinesis, and apparitions. These bizarre accounts -never before published- are presented with possible explanations for their occurrence, bringing into focus the latest discoveries in the scientific search for evidence of paranormal activity, and revealing dynamic links between haunting experiences and the human mind. Dr. Andrew Nichols is Director of the American Institute of Parapsychology. He is currently professor of psychology and chairperson of the Mental Health Department at City College in Gainesville, Florida. Cover design by Scott Flagg
