This is a story about Troy and Maxine Wilson a young couple in love. Troy knew his wife was a hottie but he found out just how hot she really was. Troy discovered his wife had been a wild-child and enjoyed the company of black men...a lot and often. He discovered she had fucked her lovers one at a time, two at a time, and sometimes she took on a black gang. Instead of being turned-off, Troy was turned on by the discovery and he wanted to be a witness to her activities and not just watching her on the many DVDs a former lover gave them. If you like hot women who like interracial sex, you will like this story.
