Perfection Makes Practice: Learning, Emotion, and the Recited Quran in Indonesia

Anna M. Gade

Perfection Makes Practice: Learning, Emotion, and the Recited Quran in Indonesia Anna M. Gade

The last decade has seen widespread Islamic religious revitalization in Southeast Asia, a region with a Muslim population almost as large as that of the entire Arabic-speaking Middle East. One such movement in 1990s Indonesia promoted engagement with the Qurân through memorization, reading, skilled performance, and popular competitions in recitation. This movement drew on longstanding structures of Islamic education and piety, social interests, Southeast Asian patterns of performance and aesthetics, and unique features of the Qurân itself. Based on fieldwork in South Sulawesi and elsewhere in Indonesia, *Perfection Makes Practice* vividly portrays Indonesian Muslims' committed practice of perfecting their own (and others') Qurânic piety.
