**Pharmacy Law for California Pharmacists** Marsha N. Cohen, Sami Sedghani  
FACING THE CPJE? PRACTICING PHARMACY? BEGINNING A CAREER AS A PHARMACY  
TECHNICIAN?

This new, seventh edition (2012) of Pharmacy Law for California Pharmacists is an indispensable tool for every California pharmacist, technician, or pharmacy owner anxious to practice in full compliance with state and federal law. [NOTE: all books in stock were rebound in January 2013 to eliminate the problem reported by earlier purchasers.] If you are a pharmacy student facing the CPJE or a technician-in-training, this book will help you meet your goals.

The text presents a comprehensive and straightforward overview of the state and federal statutes, regulations, and judicial decisions that affect pharmacy practice in California. Its many questions and hypotheticals, with answers, clarify difficult points. Statutes and regulations written in legalese are translated here into English, clarifying the legal responsibilities of the pharmacy profession.

Appendix A is a study guide for the CPJE, keyed to the California Pharmacy Board's 2011 revision of its exam content outline.

Updates are provided annually throughout the life of the edition at Professor Cohen's Hastings College of the Law website (where you can also view the Table of Contents and the CPJE Study Guide).
