The Wright Field Story: Crashed UFOs and Dead Aliens in Hangar 18 James W. Moseley
New Saucerian is honored to reprint one of the rarest Saucerian titles ever: "The Wright Field Story" by Jim Moseley. This illustrated, large-format book became so hard to find that available copies were snatched up for thousands of Earth dollars by eager collectors.

In these pages, intrepid UFO pioneer Moseley visits Wright-Patterson Air Force to get to the bottom of the saucer mystery. Were dead aliens and crashed ships from places like Roswell, New Mexico brought to Wright Field for further study? Moseley, in his own humorous way, aims to find out.

This special 2014 reprint features a handcrafted facsimile of the original interior of the book, in all of its pre-digital glory. Several photos, xeroxed letters, and drawings populate this delightful artifact from a bygone era. Publisher and collaborator Gray Barker adds an introduction.
