## California Journeyman Electrician's Preparation & Study Guide

This book was published to meet the demands of graduating apprentice and journeyman electricians in the State of California who must now meet requirements of the new California Electrical Licensing Law that requires journeyman electricians pass a test. This book is written with sample questions and answers, definitions, illustrations, and study tips to help you pass the exam on the first try. Written for the California Exam, it can be used as a study guide for any state electrical exam that's based on the NEC.
