God the Problem

Gordon Kaufman

God the Problem Gordon Kaufman

The most discussed and most significant issue on the religious scene today is whether it is possible, or even desirable, to believe in God. Mr. Kaufman's valuable study does not offer a doctrine of God, but instead explores why God is a problem for many moderns, the dimensions of that problem, and the inner logic of the notion of God as it has developed in Western culture.

His object is to determine the function or significance of talk about God: how the concept of God is generated in human experience; the special problems in turn generated by this concept (for example, the intelligibility of the idea of transcendence, the problem of theodicy) and how they are met; and under what circumstances the idea of God is credible or important or even indispensable. He does not try to prove God's existence or nonexistence, but elucidates what the concept of God means and the important human needs it fulfills.

Four of the eleven essays have been previously published, at least in part; seven are completely new.

From reader reviews:

Juan Palmer:

What do you regarding book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy man? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have spare time? What did you do? Everybody has many questions above. The doctor has to answer that question mainly because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this God the Problem to read.

Maria Lacher:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that improve your knowledge and information. The information you get based on what kind of reserve you read, if you want have more knowledge just go with training books but if you want feel happy read one with theme for entertaining for example comic or novel. The actual God the Problem is kind of reserve which is giving the reader unforeseen experience.

James Ronquillo:

People live in this new day time of lifestyle always make an effort to and must have the time or they will get large amount of stress from both lifestyle and work. So , if we ask do people have extra time, we will say absolutely sure. People is human not a robot. Then we consult again, what kind of activity do you possess when the spare time coming to a person of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the book you have read will be God the Problem.

Theodore Mullis:

In this time globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of referrals to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher this print many kinds of book. Typically the book that recommended for you is God the Problem this publication consist a lot of the information in the condition of this world now. This specific book was represented how can the world has grown up. The words styles that writer use to explain it is easy to understand.
