Hearts beat and sparks fly when two people find shelter in each other

Seattle Sharks wide receiver Kyle Carlson needs to escape and Noel, Washington, is the perfect place for him to do it and figure out his next step. He likes the seclusion and predictability of the small town until the biggest surprise of his life turns up in the local grocery store.

Sophie Hayes has her own reasons for disappearing without a trace and moving to Noel. This mountain town makes her feel safe for the first time in a long time. But her quiet routine is threatened when Kyle walks back into her life. Growing up in the same Florida town, she always had a little thing for the sexy football player. This tie to her old life, though, could mean she has to run again, even if her heart wants to stay.

When the reason she fled shows up in Noel, Kyle and Sophie, with a little extra help from his teammates, must decide to stay and fight for the life, and love, they've found together.
