Janet Finn

## **Mining Childhood: Growing Up In Butte, 1900-1960 Janet Finn**

*Mining Childhood* offers a fresh perspective on Montana history. Drawing from a broad range of archival materials and oral histories, the book offers a child's-eye view of key events in Butte's history and considers how social, political, and economic forces shaping life in Butte left their marks on children. With its rich stories, the book captures children's experiences of school, play, and work by exploring their joys and miseries, their keen impressions of life in Butte, and the varied lessons learned. These stories illuminate the meaning and purpose of mining life in Butte: people came in search of a better life for themselves, and they stayed and struggled in order to build a better life for their sons and daughters—living with the hardships and dangers of mining life so that their children might have a life beyond mining. Children were, quite simply, Butte's reason to be.

We can say that no guide that offer you world in ten or fifteen moment right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. occupied do you still doubt that will?

#### **Mark Klein:**

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Mining Childhood: Growing Up In Butte, 1900-1960 can make you experience more interested to read.
